*Rustic is a blend of Rubble and Stack Patterns

*There are 8 boxes per skid for flats and corners.
(Except in Centurion Castle-- There are 12 boxes per skid in flats only.)

*Each Box contains approx. square footage for flats and linear footages for corners.

CENTURION WILL MAKE EVERY EFFORT IN PACKAGING THE PRODUCTS TO ELIMINATE FREIGHT DAMAGE.
If freight damage should occur in shipping, a freight claim must be filed with the freight carrier, not CENTURION.
(We cannot be responsible for freight damage by others.)
